Made-To-Measure Apron Order Form

Special Instructions:

Vest Length	" + 3" = total "
Skirt Length	"
Apron Length	"

Shoulder Width	"
Chest	"
Waist	"
Hips	"
Overall Height	' "

- Shoulders: Standing behind the person, measure the distance between the right and left clavicle bones. Do not measure end-of-shoulder to end-of-shoulder.
- Chest: Measure just under the arms and around the chest at the fullest point.
- Waist: Measure around the waistline where the apron waist will rest.
- Hip Size: Measure around the fullest point of the seat while standing.
- Overall Height : In addition to the above measurements, please provide the user's height to ensure a proper fit.

- Length (Coat & Frontal): Measure length from mid-shoulder to the knee (mid-knee or above-knee or below-knee) as per the user's preference or facility specifications.
- Length (Vest): Measure length from mid-shoulder to waist. Add an additional 3" for overlap.
- Length (Skirt) : Measure length from waist (where the apron waist will rest) to the knee (mid-knee or above-knee or below-knee) as per the user's preference or facility specifications.
